Tuesday 3rd May	
Wednesday 4th May	SR PSSA Meeting, Culcairn—Mrs Church
Thursday 5th May	DCO PL—Mrs Church
Friday 6th May	Staff Meeting—9am SR PSSA Cross Country—Lockhart

Hi everyone,

So many things to be excited about at the end of a very busy term!

Lucy Burns swam at the NSW PSSA Swimming Trials in Sydney this week and won her heat, beating her PB! Well done Lucy!

Before and After School care will begin in May, provided by Big Childcare. Be sure to claim your $500 voucher from NSW Government in preparation. Care will be available from 7am—9am, 3.30pm– 6pm and during school holidays.

The French family enjoyed their wedding celebration at the Melbourne Zoo. Congratulations to Dannielle and Drew!

Our COLA project will be moving forward with the installation of synthetic turf in the near future.

We are very proud of the students perseverance and team support during the WSS Cross Country held on Tuesday. Our training program was successful with most of our students finishing in the top five places. We came third overall, with Walbundrie PS being the winning school.

We had lots of Easter fun on Wednesday, beginning with Pastor Christian leading a special Easter Scripture service. We appreciate Pastor Christian volunteering his time each week to teach Scripture. We spent the morning making Easter hats and baskets which were presented during our eggcellent parade. Then the eggciting activities finished the day with egg and spoon relays, egg throw and an egg hunt! Happy Easter everyone! I hope the Easter Bunny, (or Easter Bilby), leaves you some delicious treats!

On our last day of school for Term 1, Friday 8th April, Mrs Trevethan and I will be travelling into Albury with all students to participate in the WSS Ultimate Frisbee Gala Day. This has been planned as part of our Inter– School Sport program where we join with the other small schools in our network for a day of games and socialisation. A great way to finish the term!

Our Year 6 Leaders will be participating in the Burrumbuttock ANZAC Day Service on Monday 25th April at 12pm. All students are encouraged to attend—please wear winter school uniform.

Mrs Church and Mrs Macarthur have been reviewing the Student Personalised Learning Plans, (PLPs), analysing data to ascertain where students are at and where to next. Student Welfare and Personalised Learning will be the focus of our School Development Day on Tuesday 26th April. PLPs will be shared with parents early Term 2.

Please Note:

Students return for Term 2 on Wednesday 27th April.

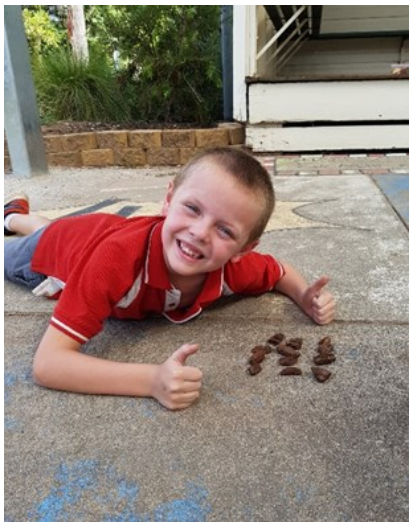
Next P&C Meeting—Tuesday 10 May, 7pm.

Stay safe during the school holidays and enjoy quality family time!
Ms Lynne Johnston, Principal

"You cannot swim for new horizons until you have courage to lose sight of the shore."

William Faulkner

Banksia Classroom With Mrs Macarthur



Banksia has been enjoying the beautiful weather, by taking our learning outside when possible. In our outdoor math lessons we investigated arrays in the environment, and used natural materials to model multiplication by making rows and columns to calculate our thinking. We also explored making AB and ABC patterns.
We continue to learn about Living Things and the importance of water to keep us alive, in Science. We are in the process of observing what will happen to the celery that has been soaked in coloured food dye.

Waratah Classroom with Mrs Church

Netball Trials

Izzy, Ella and Savanah went to Culcairn for the Southern Riverina netball trials on Friday the 01/04/2022. We played two games (8 quarters) of netball with students from schools across the Southern Riverina area including Henty, Holbrook and Howlong. Izzy made it into the top 14 but sadly did not go any further. We had lots of fun playing netball.

By: Izzy, Savanah and Ella

Persuasive Texts.

Waratah have been strengthening their persuasive writing skills in various ways over the past few weeks.

We have explored the structure of a persuasive text, how to develop strong for and against arguments, and how to back up our reasons with evidence.

We even tried our hand at presenting our arguments 'debate style'!

MATHEMATICS—Volume/Capacity

We have been testing the displacement method — the submersion, or dunking method can be used to accurately measure the volume of objects by measuring the volume of fluid displaced when the object is submerged.

We discovered that centimetres cubed equal millilitres.

Thank you Savanah for your Easter Find-a –word.
Just in time for holidays!

Albury Wodonga, Parent/Carer session: communicating with my young person

headspace National are hosting an education session for parents and carers of young people to support their mental health, for the region of Albury Wodonga.

Information presented will:

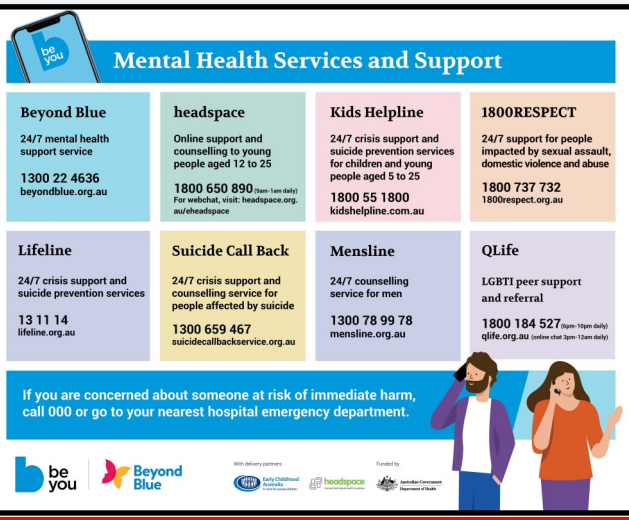
- Increase your knowledge and understanding of the mental health challenges facing young people today.
- Improve awareness of your young person's emotions, thoughts, feelings and behaviours.
- Introduce how you can start a conversation with your young person and enhance connections.
- Introduce you to some of the skills and strategies to encourage and support help-seeking.

When: Tue, 5 April 2022
7:00 pm – 8:15 pm AEST

Where: Mirambeena Community Centre. 19 Martha Mews Lavington, NSW 2641

How do I register?

Click here to register via Eventbrite, or copy the URL below into your web browser: https://bit.ly/3M1oYLs

After you have registered, you will receive an email confirmation from Eventbrite.


All those who register will receive a digital information pack after the session that includes key messages as well as links to resources and support services.
